

Please find attached our final RMA report, documenting products and processes provided in the Tewilliger assignment.

Thanks to all of you for your support and confidence in us! It was a great assignment and we felt very welcome.

Many thanks as well to the team who participated in this assignment!

This will be on the external site soon, as well as products and other documents provided for this assignment.

I look forward to closing out with you in the Region in the next week or two. Tracy and Holly, I look forward to a connection with you in another week or so, to ask you our set of "Customer Service Questions"! I will reach out to Wes and find a time.
